

NICKS ON THE LAKE

Over 50 years ago, a cozy 5-table 17 seat bar called Popeye's Galley & Grog opened by the lake - a spot where locals and visitors gathered for good food, great atmosphere, and a memorable time! What began as our patriarch Nick's dream of a small lakeside pub has grown into something much more. To honor him and to clear up some friendly confusion with a certain chicken chain we now proudly welcome you as

Nick's on the Lake.

The name is new, but the heart remains the same: the same caring people, the same farm-fresh food, and the same warm spirit that's been part of Lake Geneva for generations and generations to come.
